

## **Love is in the air as Scottish Rocks help NSDesign celebrate 10<sup>th</sup> Birthday**

HOW far would you go to impress your loved one on St Valentine's Day?

A dozen red roses, a romantic meal for two or how about the chance to win your beloved a brand new car?

Award winning company NSDesign has teamed up with the Scottish Rocks and Motorpoint, Scotland's biggest car supermarket, to celebrate its 10<sup>th</sup> anniversary in style by giving away a free car worth approximately £7,000.

Throughout January the company will be giving people the chance to win the new car by taking part in a Valentine's shoot out during the Scottish Rock's February 15<sup>th</sup> basketball game at the Kelvin Hall.

The firm will be inviting people to log on to their website and enter the competition draw which will then give them the chance to make a shot and win the car.

Rocks fan and NSDesign Managing Director, Gary Ennis said:

"2009 is a really significant year for us as it will mark a decade in the business. We had a very successful 2008 which culminated in the company being named the best performing business (under 25 people) in Renfrewshire.

"We have worked with the Scottish Rocks for several years now and couldn't think of a better way to celebrate and enjoy the party. We have set up a page on our website where people can register for the draw.

"We will then select five lucky people at random, winning them the opportunity to take a 'free throw' before the Rocks game, and a brand new Apple iPod should they make it. One of the five will then be given the chance to make just one more basketball shot to win the car!"

Graham Provest, General Manager for Motorpoint Glasgow, added:

“It is fantastic news that NSDesign is choosing to celebrate its 10<sup>th</sup> year in style, and Motorpoint are absolutely delighted to be able to provide a car for the competition.

“I will be watching with interest court-side to see if someone does actually shoot a basket at Kelvin Hall on the 15<sup>th</sup> and win a car for their beloved.”

So if you fancy yourself as the next Michael Jordan and want to put your basketball skills to the test, you could be driving your loved one home in a brand new car.
